[Supporting System for Outside Directors and/or Outside Audit & Supervisory Board members] **updated**

The Company make effort to provide sufficient information such as to explain and distribute documents concerning bills to be placed at Board of Directors to outside directors and outside Audit & Supervisory Board members. As for the assistant of outside directors, General Affairs Department is in charge. As for the assistant of outside Audit & Supervisory members, secretariat of the Audit & Supervisory Board is established and the full-time employee is in charge.

2. Matters on Functions of Business Execution, Auditing, Oversight, Nomination and Remuneration Decisions (Overview of Current Corporate Governance System)

The Company is a company with the Audit & Supervisory Board. It is effectively and with fulfillment audited by Audit & Supervisory Board members and the governance towards the management is effectively functioned.

As of June 25, 2019, the Company consists 12 directors (including 4 outside directors) and 4 Audit & Supervisory Board members (including 3 outside Audit & Supervisory Board members). The Board of Directors is held once a month as to determine important matters concerning basic policy of management and business execution, and to supervise execution of duties by directors and executive officers. Furthermore, executive committee is held twice a month with determining the issues to be discussed at the Board of Directors, and concertation of business execution policy based on the determination at the Board of Directors. The Audit & Supervisory Board is held once a month, as to discuss or resolve important matters concerning the audit. Also, one Audit & Supervisory Board member is to attend the executive committee, and monitor the affairs of executive management adequately.

Moreover, the Company and outside directors/ outside Audit & Supervisory Board members have concluded a contract to limit liability for damage stipulated in paragraph 1, Article 423 of Companies Act in accordance with paragraph 1, Article 427 of Companies Act. The amount of limit of liability for damage is stipulated in the relevant contract as ¥10 million or the minimum amount of limit of liability that paragraph 1, Article 425 of Companies Act stipulate, whichever is higher. These are for the aim of outside directors and outside Audit & Supervisory Board members to fully play a role expected.

3. Reasons for Adoption of Current Corporate Governance System

The Company consists 4 outside directors and 3 outside Audit & Supervisory Board members. As for the outside directors and outside Audit & Supervisory Board members, it is expected to play a role to monitor and supervise the management from objective and neutral view. Moreover, the Company does not explicitly stipulate the standard nor policy concerning the independence to appoint outside director and outside Audit & Supervisory Board members, but as for the appointment, the company refers to the elements of independent officers which Tokyo Stock Exchange determine and the presence or absence of independence as one of judgment material.

Outside directors attend the Company's Board of Directors with outside Audit & Supervisory Board members and remark appropriately. Moreover, outside director monitors effective management as to receive in advance an overview of matters to be discussed in the Board of Directors from General Manager of General Affairs

Department. Besides, outside Audit & Supervisory Board members cooperate mutually with supervision by outside director, audit of Audit & Supervisory Board members, internal audit and financial audit with regularly exchanging information and opinion with Audit & Supervisory Board members and audit corporation as well as other Audit & Supervisory Board members.

The relationship between these supervision or audit and internal control section are as follows. Outside directors, supervise business execution of other directors within internal control section from an independent position through the participation of Board of Directors. Outside Audit & Supervisory Board members evaluate the legality of operations in internal control section and consult of various materials as well as other Audit & Supervisory Board members.

The Company reported to Tokyo Stock Exchange, 4 outside directors and 3 outside Audit & Supervisory Board members as independent officers.

The system is adopted with the judgement of impartiality for management and appropriate transparency.

IV. Matters Related to the Internal Control System

1. Basic Views on Internal Control System and the Progress of System Development

Based on Corporation Law and Financial Instruments and Exchange Law, the Group is maintaining system to secure the rightness of business for other corporations, corporate group which are made up from such company and subsidiaries and agreement for execution of duty as director and employee to law and certificate of incorporation. The basic policies are the following.

1. System to secure the agreement of execution of duty as directors and employees to law and certificate of incorporation.

1. Ever since the company was founded, we have cherished “the ALSOK Charter”, which is composed of the founder's spirit and motto of the company. We have encouraged our business activity in accordance with the charter.
2. We watch the execution of function, by establishing “Board Regulations”, “Internal Memo Regulations”, “Policies of Dividing Duties”, and “Policies of Administrative Authority”, divide administrative authority, and obligate final decision that exceeds authority in charge.
3. We enacted an “Ethical Rule” as standard for the action based on the ethics with sincere performance of duty.
4. We adopted “Compliance Rule” and made one of the directors as the director in charge of compliance, who reports activity conditions to Management Committee and the Board of Directors Meeting if necessary.
5. We established “Internal Report Rule” in order that we can construct the internal report system and operate it appropriately.
6. We established the internal audit exclusive jurisdiction department under the direct control of the President. The department regularly inspects management activities at all departments in the headquarters and branches and reports the results to the auditors and directors.
7. Based on the law of Financial Instruments and Exchange Act, we maintain and operate systems to make the financial reporting properly is maintained and operated.
8. We adequately conduct various education such as law, articles of incorporation, and internal rules for directors and employees.

2. System concerning preservation and management of information that lies execution of duty as director

1. Establish an order concerning primary information that show the execution condition of General Meeting of Shareholders record, Board of Directors record, Management Committee record, request for approval, contracts, account book, financial documents, and other services as to conservation management concerned information.
2. Allow directors and Audit & Supervisory Board members to browse these information anytime.

3. Other systems of regulations concerning management to risk of loss

1. Together with establishing “Risk Management Rule” and naming the risk management officer, we estimated and evaluated risks. Person in charge should report to the Board of Directors Meeting and Management Committee as needed and to come out with needed measures of prevention, reduction, transfer of risks or settle coping strategy when risk occurs.
2. We establish “Business Continuity Plan”, adjust the systems, and measures when natural disaster occurs.
3. Together with establishing “Information Asset Management Rule” and naming the information asset management officer, we formulate the structure to protect the information asset from threats such as robbery, divulgation, falsification, depredation and disasters.

4. System to secure efficient execution of director's duty.

1. The management plan of the mid-term and fiscal year is made based on the business objective.
2. As for the management plan of fiscal year, it is reported to the Director and the Management Committee every month, and the progress management is carried out monthly.
3. “Administrative Authority Regulation” is enacted, and an efficient decision making is done by allotting

the administrative authority.

4. The business processing is simplified by the backbone system that uses IT, and is planned to make the management and business more efficient and rationalize.

5. System to secure propriety of business in corporate group that consists of our company and subsidiaries.

1. The rule for the business management of the subsidiaries is enacted together with the exclusive competency post set up, and the umbrella administration is carried out. For subsidiaries, besides making report concerning exercise of function, strict guide and supervising toward the subsidiaries is done, by sending the director or the Audit & Supervisory Board member from our company.
2. Significant information concerning the risk of loss for subsidiaries should be reported to subsidiaries competency post based on the rule for the business management, risk correspondence is carried out in cooperation with the group.
3. The subsidiaries shares information with our company through various conferences and in-house electronic bulletin boards, and improve operational efficiency through application of operation system common in subsidiaries. Designing the group's medium-term management plan and annual management plan, progress management of the plans are carried out the monthly business condition reported from subsidiaries.
4. Our company and the subsidiaries operate the execution of the compliance activity and the internal report system and completely intercept the relation to antisocial forces, and for such occasions, approaches for necessary maintenance of the company structure and cooperation with external specialized agencies are carried out. In cooperation with subsidiaries, internal audit is carried out for significant subsidiaries.

6. System that secures the effective audit by the Audit & Supervisory Board Members

1. The Audit & Supervisory Board secretariat is established, and the employee who assists the duty as the Audit & Supervisory Board member is arranged.
2. The Audit & Supervisory Board secretariat member's personnel affairs are to acquire the agreement of the Audit & Supervisory Board. The Audit & Supervisory Board secretariat members solely comply with command from Audit & Supervisory Board members.
3. The director and employees report to the Audit & Supervisory Board members about an important matter concerning business. The Audit & Supervisory Board members attend the Board of Directors Meeting and the Management Committee. The internal audit exclusive competency post performs information exchange regularly together with the Audit & Supervisory Board members.
4. Appropriate report is carried out promptly by the directors and employees of the subsidiaries, when the report concerning is desired. Department in charge of internal report, reports significant notify including the notification of subsidiaries to the Audit & Supervisory Board members. Furthermore, for our directors, employees and directors of subsidiaries who reported to Audit & Supervisory Board members are not to be unfavorably-treated for the reason to have been reported.
5. Our company annually set a certain amount of budget to pay expenditures which come about from the exercise of function of Audit & Supervisory Board members. When the Audit & Supervisory Board members charge for such expenditures, it is handled properly.
6. The Audit & Supervisory Board members regularly exchange opinions or interview with the President and each general manager, and audit each office and subsidiary. The Audit & Supervisory Board members regularly hold the skull sessions with Audit Corporation.
