Notice Concerning the Establishment of Overseas Representative Office

SOHGO SECURITY SERVICES CO., LTD. is pleased to announce the establishment of a representative office in the Republic of Singapore.

1. Purpose and Background

Our basic policy for overseas expansion is to work to meet the security demand of Japanese companies that are developing operations overseas. As part of our overseas expansion efforts, we have established subsidiaries in Thailand, the Socialist Republic of Vietnam, the People's Republic of China, and Malaysia. Besides these subsidiaries, we have also established representative offices in Beijing, China; Jakarta, Indonesia; and Gurgaon, India.

Looking ahead, security demand is expected to rise overseas following the increase in the number of Japanese companies looking to expand into the fast-growing Asian region. Accordingly, expanding and globalizing our service systems has become more important than ever before.

The Company boasts excellent access to Asian countries, which are expected to experience substantial economic development on a medium- to long-term basis. Singapore, in particular, is anticipated to become a foothold for Japanese companies aiming to expand into Asia. For this reason, the Company decided to establish a representative office in this country and will continue to strengthen coordination with Japanese companies going forward.
