### Notice Concerning Share Acquisition by a Wholly Owned Subsidiary

ALSOK CO., LTD. (Head Office: Minato-ku, Tokyo; Representative Director and President: Ikuji Kayaki; hereinafter referred to as “the Company”) hereby announces that its wholly owned subsidiary, ALSOK CARE Co., Ltd. (Head Office: Saitama City, Saitama Prefecture; Representative Director and President: Yasunobu Oguro; hereinafter “ALSOK CARE”), entered into a share acquisition agreement on April 7, 2026, to acquire all issued shares of Daiwa House Life Support Co., Ltd. (hereinafter “Life Support”), a wholly owned subsidiary of Daiwa House Industry Co., Ltd., and Daiwa Living Care Co., Ltd. (hereinafter “Living Care”), a wholly owned subsidiary of Daiwa Living Co., Ltd., as outlined below.

#### 1. Reason for the Share Acquisition

Since its establishment in July 1990, ALSOK CARE has consistently focused on providing meticulous and flexible one-stop nursing care services while responding to the diverse needs of its customers.

Life Support and Living Care, which will newly join the ALSOK CARE Group, operate more than 1,700 elderly care facilities across 10 prefectures (Tokyo, Kanagawa, Saitama, Chiba, Aichi, Shizuoka, Osaka, Hyogo, Fukuoka, and Saga), with their operations primarily comprising designated residential care facilities under Japan’s long-term care insurance system.

The inclusion of these two companies in the Group is expected not only to expand and strengthen the Company’s nursing care business, but also to contribute to enhancing its overall capabilities through an expanded service lineup.

Going forward, the Company will continue to strive to improve the quality of services provided to customers and aim for the development of the Group’s businesses as a whole and the enhancement of corporate value.
